Harapan Indah Street XVI No.19,  
East Jakarta, 13620, Indonesia

## ABOUT ME

I am an active member of the Google Developer Group (GDG) with hands-on experience in web development, particularly in full-stack development. With a strong passion for technology, I actively build modern and interactive web-based projects. I have solid skills in developing web applications from front-end to back-end using the latest frameworks.

## EDUCATION

SMA 1 Pusaka Jakarta  
Science Major  
2024

Syarif Hidayatullah State Islamic University  
Jakarta
